

Quiz 2

Sep 6th, 2024

Time: 15 minutes

Name: _____ Roll n _____ Group: _____

Instructions: Notes, books, computers, cell phones and other electronic devices are not allowed.

Max marks = 5.

Problem 1. Express the following invertible matrix as a product of elementary matrices.

$$\begin{bmatrix} 1 & 2 & 1 \\ 1 & 0 & 1 \\ 1 & 1 & 2 \end{bmatrix}$$

Note: You can't guess. You need to show your work and be careful about the order of matrices in the product.
